

CHARTER OF THE RACQUETBALL CLUB OF SUN CITY

In the fall of 2008, there was an attempt by the Sun City metal club to take over one of the two Sun City racquetball courts, to expand their facility. They felt that the courts were not used that much and since the courts were adjacent to the metal club facility, they wanted to expand their shop into one of the courts.

The racquetball players were never organized as a charter club so it was difficult to have a voice when it came to the support of players' needs and the facility. Dianne Graham and Bill Schwingendorf decided that if Racquetball was to continue in Sun City, the group needed to be organized. During the last half of 2008 and the first quarter of 2009, they, with the help of others, organized the group with over 100 paid members. On March 17, 2009 an organizational meeting was held at the bell center with about 30 members present. Dianne Graham presided and the group elected officers and voted to apply for a club charter. The officers elected were:

President: Dianne Graham

Vice President: Ken Stavlund

Secretary: Bill Schwingendorf

Treasurer: Fran Rotter

Members-At-Large: Gary Williamson and Shawn Foulds

On April 30, 2009 at the monthly recreation center of Sun City, inc. Board of Directors meeting, Denny Nichols proposed that a charter be granted to the Racquetball Club of Sun City. The board voted unanimously to grant the charter.
